Heavy Vote Likely In Sask. Election

Exceptionally Strong Balloting Reported From Many Centres

REGINA, June 24.—(CP)—A heavy vote was indicated today in the Saskatchewan election, despite intermittent drizzles which clogged roads.

Round Hill Mine Strike Is Settled

Settlement of the strike at Red Flame Coal Co. Round Hill mine was announced today by officials of the Northern Alberta Coal Operators' Association.

Round Hill is in the Camrose district about 60 miles southeast of Edmonton.

RETURN TO WORK
Approximately 35 miners and mine laborers returned to work Wednesday following a shutdown since January 13 last.

Under the terms of settlement miners and laborers will receive a basic increase of 78 cents per shift under a bonus system incorporated in the agreement miners can make even more by increased loadings.

The agreement covers a period of one year. Miners had sought a \$2.00 per shift increase.

GREAT INCREASE
In a statement announcing settlement, officials of the Coal Operators' Association stated:

"It was found practical to incorporate the bonus in the contract rate so that a greater incentive to increase the miners' earning capacity has been made possible."

Martel, Barr Pacing Golfers
Burns Martel Highlands, and Duane Barr, Calgary, were pacing the pack in the early stages as the annual Alberta Amateur Golf tournament got underway at Mayfair Golf and Country Club Thursday morning.

Barr turned in scores of 37-35 for a card of 72. A 36-hole qualifying round is being played today, as is the Alberta junior championships over the same route.

Martel also had 37-35 for a 72. Vern Mohs, Highlands club ace and finalist in the 1946 event was in second spot. Mohs posted 35-38 for a 73.

Among 18-hole scores reported at present time were: Burns Martel, 74; Johnny Lee, 86; Ray White, 80; M. Van Vleet, 80; Eric Diggs, 80; Angus Kilburn, 80; Johnny McMullen, 88; H. Robinson, 87; Al Newman, 85; R. W. Hill, 80; Red Deer, 80; T. McCready, 80; F. Campbell, 78; L. Leclair, 87; D. E. West, 79; W. Gostick, 85; W. H. Ripley, Calgary, 91; W. L. Hoar, 85; J. Leike, 76; J. Aitken, 76, and M. Zeweniuk, 80.

Hunter Disposes Of Regina Cops

REGINA, June 24.—(CP)—W. D. (Willie) Hunter is not yet a police officer but he has disposed of his interest in the Regina Catholic club of the Western Canada Senior Hockey League to a group of Regina business men.

The new owners are Jack Boyle, Gordon Frisby and Ross Sneath. Cliff Eberle, president last year, also has bought into the club.

It is understood all player agreements signed will be honored by the new owners and Art Somers, replacing Joe Fisher as coach, will remain signed.

Careless Motorists Targets For Police

Edmonton's city police traffic squad has launched a clean up campaign on careless city motorists.

Motorists not having drivers' licenses, vehicle licenses, or failing to attach licenses on their vehicles are targets in the campaign.

Twenty-one motorists, charged with varying offences, were fined a total of \$70 and costs in police court today.

CHURCH WILL EXPEL BEAUTY CONTESTANTS

WHEELING, W. Va., June 24.—(AP)—Bishop John J. Swinn announced yesterday he will excommunicate any Catholic girl of the Wheeling diocese who takes part in a beauty contest.

He called modern beauty pageants "totally pagan" and "absolutely immoral."

VISITS STOCK EXCHANGE, PICKS UP \$1,205,000

NEW YORK, June 24.—(AP)—William Tilley decided to spend his lunch hour yesterday visiting the stock exchange, and he quickly picked up \$1,205,000. But it was in cheques he found on a sidewalk.

Tilley, a 47-year-old city clerical employee, delivered the cheques to bank which had drawn them. One was for \$1,200,000 and the other for \$5,000.

His visit to Wall Street netted a profit, however. He got a \$25 reward.

Weather To Be Unsettled Later Today

Edmonton's weather will remain unsettled this afternoon and evening according to the weatherman.

Skins will continue to cloud throughout the day and a few light showers are forecast for this afternoon and evening.

Weather synopses and official forecasts is issued at 8:30 a.m. today by the Dominion public weather office at Edmonton and valid until midnight tonight are as follows:

SYNOPSIS
Very welcome rains fell overnight in some of the driest areas on the western prairies. The heaviest falls reported were from Western Saskatchewan where very little rain has fallen for the past two weeks.

Saskatoon topped the list with nearly three-quarters of an inch reported up to 5:30 this morning, followed by Prince Albert with half an inch and Swift Current with a quarter. About a tenth of an inch fell at Regina, Vermilion and North Battleford.

However, warmer drier weather is returning to the prairies. There will be a few showers today, but on Friday skies will be mostly clear with shower activity confined to Western Saskatchewan.

FORECASTS
Edmonton-Red Deer Regions: Variable cloudiness today with a few showers; risk of thunderstorms this evening; clear and a little warmer Friday; light winds today, north-west 15 tomorrow; low tonight and high tomorrow at Edmonton 50 and 60.

Jasper Town: Overcast with occasional rain, becoming clear and warmer Friday; light winds today; light winds; low tonight 47, high Friday 55.

Peace River Region: Cloudy today with a few showers; clear and warmer Friday; light winds today, low tonight at Grande Prairie 48, high Friday 55.

Abbot Agrees To Drop Interest Rate Increase
OTTAWA, June 24.—(CP)—The senate finance committee today agreed to drop the interest rate increase proposed by the government's proposed new interest rates on overdue income taxes.

Mr. Abbott agreed to drop from his income tax bill a provision to increase from seven to eight per cent the interest rate on taxes after the amount due is confirmed by the revenue department.

However, the committee accepted an increase from four to six per cent as the rate on overdue payments up to the time the amount is confirmed.

The committee defeated an amendment by Senator Salter (Lib.-Ont.) to limit the latter's boost to five per cent.

Abbot Silent On Reimposition Of Meat Price Ceilings

OTTAWA, June 24.—(CP)—Finance Minister Abbott said today he is not prepared to say whether price ceilings will be reimposed on meat products.

Replied to Senator G. C. Churchill, Mr. Abbott said the matter is a complicated one in that ceilings have to be placed on either individual meat products.

He said meat prices have risen since last January, when the government announced it would reimpose ceilings if the prices moved too much higher. The ceilings first applied at that time now bore little relationship to present-day prices.

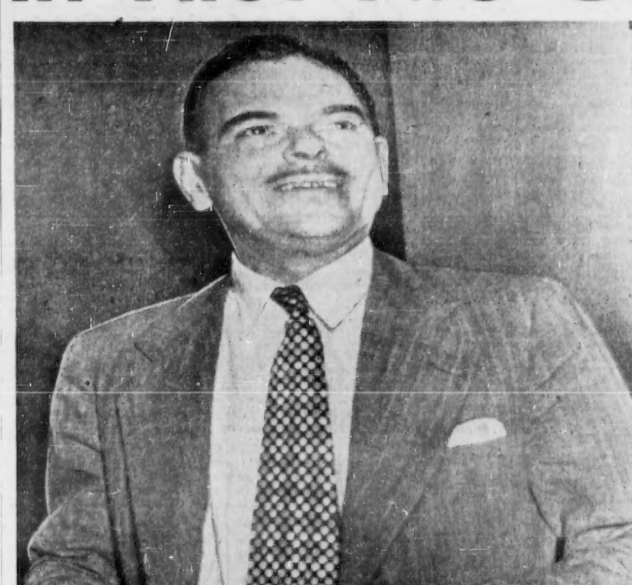

Canada To Spend More On RCAF

OTTAWA, June 24.—(CP)—Defence Minister Claxton said today Canada would spend more this year on her aerial forces than ever in her history.

Launching a defence debate on departmental estimates in the Commons, he said total strength of the three regular forces now 80,000 or 85 per cent of the current authorized strength of 93,235.

He added: "We shall continue to recruit above the announced target figures, using the additional men to activate more ships, bring the army's brigade group nearer to strength and to reactivate several air force stations."

Dewey Dominates In First Two GOV Ballots

First Two Rounds Without Decision

By Lyle C. Wilson
CONVENTION HALL, PHILADELPHIA, June 24.—(BUP)—The Republican national convention today began balloting for a presidential candidate with Thomas E. Dewey in the lead as an early ballot winner.

The first two ballots, however, finished without a decision.

Dewey got 434 votes in the first and 515 in the second. The latter was a gain of 81 votes over his first ballot total.

Senator Robert A. Taft of Ohio, the runner-up, got 224 votes in the first and 274 in the second.

A total of 548 votes is needed to win the nomination. Dewey was 38 short of the required number at the end of the second ballot.

CONFLICTING CLAIMS
Before the roll call of states began in the hot, humid, tense, and jammed hall, delegates were besieged with conflicting statements and claims.

Col. Robert McCormick, publisher of the Chicago Tribune and a powerful ally of Sen. Robert A. Taft of Ohio for the nomination, discounted the Dewey boom.

If nominated, Dewey would make a "very weak" candidate, McCormick said, and his election in November would be "problematical."

Statutes before the balloting started, some states still were caucusing to decide how their early votes would go.

The 56-member Illinois delegation, unanimously pledged to Gov. Dwight H. Green on the first ballot, decided to give Taft 32 votes on the second. After that, there may be some switching to Dewey.

MICHIGAN DENIAL
Among the halting preliminaries was a formal denial by Michigan leaders of a report their state's 41 delegates were switching to Dewey. All are pledged to Sen. Arthur H. Vandenberg.

Gov. Kim Sigler of Michigan was permitted to deny from the convention platform that Michigan had decided to go for anybody other than Vandenberg on any ballot.

All candidates were placed in nomination last night and early today in one continuous session of oratory and parades which ran for six hours and 40 minutes.

With most of the delegates departed and the galleries emptying, too, the Republicans had convinced themselves listening to each other.

KNOCK SELVES OUT
They had knocked themselves out parading in the aisles, waving banners and shouting. The demonstrations were staked and sometimes seemed unreal, but the show went on to the weary end.

By 2:45 a.m., four candidates had been nominated and the roll call of the states had reached Connecticut. The speakers had no pity for their audience or themselves. The names of Dewey, Taft, Warren and Stassen went before the convention in that order.

Connecticut insisted on naming her favorite son, Sen. Raymond E. Baldwin's name was called and the hands of the clock moved far past 3 a.m.

By that hour Sen. Robert A. Taft and Gov. Thomas E. Dewey were in bed. The stop-debate movement was down to its last twitches of energy.

But vigorous young Sen. Arthur H. Vandenberg, Arthur H. H. Vandenberg, Arthur H. H. Vandenberg, met Stassen and a burst of Vandenberg's Stassen's opposition hit the convention hall. The headquarters meeting began at 2:30 a.m.

FEEDER LINES WILL GET NEW 'All-Up' Airmail Service
OTTAWA, June 24.—(CP)—The government's new "all-up" airmail service will be extended to points on feeder air lines now carrying mail. Postmaster-General Bertrand said in the Commons today.

Under the plan effective July 1, letters weighing an ounce or less will move by air at regular rates when this expedited delivery. The bulk of the traffic will be carried by Trans-Canada Air Lines.

POWER SHUTDOWN
The Berlin power shutdown affected the British United States and French zones. The only areas spared were those where hospitals or other important public institutions are located.

The Russian-controlled Berlin radio announced the western sectors must expect more power shut-offs during the night. This amounted to a warning of day and night cut-offs apparently intended to prevent factories which shut down during the day from engaging in night operation.

Reports from the French sector said water service was being disturbed.

The Russian and German Communists threatened economic reprisals against any of the 2,400,000 Allies' new currency. The Russians have decreed the currency illegal and ordered use of their own new money for the entire city.

The Favorite at Philadelphia

SECOND TRY at United States presidency may be made by Governor Thomas E. Dewey of New York. As balloting began today at Republican convention in Philadelphia Dewey was hot favorite for nomination. In last presidential election Dewey lost to Roosevelt in 1944.

'Only War Can Drive Us From Berlin', U.S. Tells Reds

From AP, CP and Reuters Dispatches
BERLIN, June 24.—(AP)—General Lucius D. Clay said today that the Russians "cannot drive us out of Berlin by any action short of war."

This warning by the American military governor, made in Heidelberg, came as the Russians tightened their squeeze on Berlin today. They cut off electric power to the western allies' sectors of the city and halted all food shipments on rail lines running from western Germany.

The Russian occupation chief, Marshal Vasily D. Sokolovsky, at night issued a proclamation stating the Allied four-power Kommandatura governing Berlin has ceased to exist "for all intents and purposes."

BLAMES ALLIES
Addressed to the people of the German capital, the proclamation blamed the Western Allies for the present currency position in Berlin where separate Soviet-sponsored and western-sponsored currencies are being issued.

Meanwhile, movement of coal, steel and other supplies from the British to the Soviet zone of Germany was banned today by British military authorities.

Clay said the latest moves of the Russians indicate they "are trying to put off the final pressure to drive us out of Berlin."

The official Russian German Communist press demanded an end to the western allies' quit the city.

Bright Sun Promises Bout Goes on Tonight

NEW YORK, June 24.—(CP)—A bright sun burned its way through a heavy overcast today and indications were that the Louie-Joe fight would go on as scheduled at 7 p.m. MPT.

The fight is Yankee Stadium was postponed 24 hours yesterday because of rain.

It weighed 213½ pounds at the weigh-in yesterday, went for a six-mile walk this morning and hurried back to bed. He plans to drive to a New York City hide-out late in the day.

He walked the sidewalks of New York as his only exercise. He weighed 194½ pounds yesterday.

The weather bureau forecast for tonight was widely scattered showers and temperatures in the low 60s.

The 15-round engagement will be Louie-Joe's 11th fight and he says, his last fight.

If washed out a second time, the bout will be staged Friday.

Earlier in the hearing, Mr. "Wray" had asked questions of Mr. Hill implying that magistrates were something "bigger" than Chief Justice Hughes suggested that Mr. Wray not ask any questions implying that the government was "dominating" the state. He stated that it is "an insult" to the department of justice that anyone should suggest that the courts have been influenced by Mr. Hill or anybody else.

"They're not," he stated flatly.

It Happened TODAY

World

General Omar Bradley, U.S. Army Chief of Staff, speaking in New Orleans, New Mexico, called for the development of more "terrible weapons as a means to prevent war. The method was to develop weapons so terrible that we won't have to use them."

Authorities in Washington announced that U.S. steel experts, headed by U.S. Steel Export Company's George Wolf, will be sent to Germany to help boost production there.

British observers and authorities are calling for action in the strike-torn, former show colony of Malaya, said Major R. D. Utting, who went into the country with British forces in 1947. "The disorders reveal a carefully-planned and premeditated plan to take power, at that time our military ally... the time for drastic, urgent action is now."

A Toronto newspaper claimed a Canadian pilot, awaiting word to start for Israel said the Irgun Zvai Leumi, Jewish extremist group, offering expenses plus \$500 every three months for non-combat flying jobs, as being outbid by Hagana, which offers \$400 a month for non-fighting pilots and \$1,500 plus expenses for combat pilots.

Dutch sources said today Indonesians attacked the Batavia-Bandung express, derailing it and killing 10, including a Dutch Air Force Captain.

Marriage comes high in Canada, according to CCF Member of Parliament, Claude Gillis (Cape Breton South). Douglas Abbott promised to look into the tax situation where, Gillis claimed, it is cheaper for a tax standpoint for an unwed couple to live together than to keep house married.

Russian Mennonite settlers, who seldom have a good word to say about soldiers of any description, had a good one today for those who helped them during recent B.C. floods. Said one elder, "We never knew the army was good. We were glad to have them. On and off duty, they assisted us like brothers."

Albert Goudvis hastily left a Chicago-St. Louis train and hurried back to his Chicago hotel where he had forgotten a vest. He found it. In it, concealed in secret pockets, were \$40,000 worth of diamonds. He is a diamond importer and cutter.

In Nanjing, legislators overruled a clause in marriage legislation which would have made it illegal for a man to marry a woman more than 10 years his junior.

In a Mays Landing, N.J. police court, handleader Paul White was fined \$5 for careless driving after his car struck a pole on the highway.

Mrs. Matthew Poole, 38-year-old wife of an 85-year-old husband, gave birth to a baby girl. The first in their six-year-old marriage.

In Chicago, Dr. Sir Stanford Cade of London, England, attending the American Medical Association convention, told delegates he believes a major portion of cancer of the breast is due to the declining birthrate and the modern trend towards bottle-fed babies.

At the same convention, Dr. Rex H. Wilson, Akron, Ohio, and Dr. John H. Fowler, Wilmington, Delaware, warned that many household products, including nail polish remover, bath tub cleansers, insecticides, cleaning fluids and paints, contain solvents which can raise serious health problems. Most dangerous, they said, are benzene, acetone, gasoline vapors, carbon tetrachloride, carbon disulphide and methyl alcohol.

Rains Quenching Manitoba Fires

WINNIPEG, June 24.—(CP)—Rush fires in northern Manitoba now are well under control, with the aid of heavy rains, forestry service officials reported last night. Flames which earlier this week threatened large tracts in the Pin-Fin-Sheridan area were said to be well in hand.

Irgun Withdraws Israeli Recognition

Jewish Extremists Order Its Soldiers to Quit Army

By James M. Long

TEL AVIV, Israel, June 24.—(AP)—Irgun Zvai Leumi ordered its soldiers today to quit Israel's army and announced that the organization is withdrawing its "recognition" of the Israeli government.

Irgun is a Jewish extremist fighting force whose munitions ship Altamira was blown up by Israel soldiers Tuesday night after a bloody battle on the Tel Aviv beach. The crew was seeking to run in arms, forbidden under the United Nations truce.

REFRAIN FROM CONFLICT

A communique issued by the Irgun commander, Menachem Begin, said Irgun is withdrawing its recognition of Premier David Ben-Gurion's regime. At the same time, however, Irgun asked "our fighters to refrain from engaging in any combat with the Jewish camp" because of the Arab-Jewish conflict.

Thus, in effect, Irgun is returning to the role of an illegal underground group which it played in harassing British forces before Britain gave up the Palestine mandate May 15. A group of its members was arrested.

12 PERSONS KILLED
A source close to the government said "this is a showdown as to whether we really have responsible government." It was estimated that 12 persons were killed and 40 wounded in the beach clashes between Irgun and Israeli troops. Tel Aviv and other parts of Israel were reported quiet today. The government, however, continued a

DOUGLAS ABBOTT

An investigation is promised.

Ten-year-old Terry McKee has spent most of his life as the object of a court battle between his divorced mother and father, for his custody. His future was settled by an Ontario Supreme Court decision which gave custody to his wealthy Michigan father, Mark T. McKee, now living in Canada.

The former "Nightingale of Warsaw," Felicia Wlodek, who once sang opposite Jan Klepura at the Metropolitan Opera, arrived in Halifax as a DP. She will work for 10 months as a domestic servant after she gets out of immigration hospital where she is confined with mumps.

Today is the first and fourth of July all wrapped up in one "for French Canada. It is Fete St. Jean Baptiste, which celebrates the lighting, at 8:30 p.m. June 23, 1846, by Governor de Montmagny, of the first such fire in New France.

Russian Mennonite settlers, who seldom have a good word to say about soldiers of any description, had a good one today for those who helped them during recent B.C. floods. Said one elder, "We never knew the army was good. We were glad to have them. On and off duty, they assisted us like brothers."

Albert Goudvis hastily left a Chicago-St. Louis train and hurried back to his Chicago hotel where he had forgotten a vest. He found it. In it, concealed in secret pockets, were \$40,000 worth of diamonds. He is a diamond importer and cutter.

Reds Told U.S. In Berlin To Stay

WINNIPEG, June 24.—(CP)—Rush fires in northern Manitoba now are well under control, with the aid of heavy rains, forestry service officials reported last night. Flames which earlier this week threatened large tracts in the Pin-Fin-Sheridan area were said to be well in hand.

Seizing upon this, the Soviet radio warned the population. "Anyone who accepts that stamp will be marked as a person who violated the order of Soviet Commander-in-Chief Marshal Sokolov."

The radio reminded that "frozen bank balances of Berliners are locked up in banks of the Soviet sector of the city. Anyone who is identified as having taken the western currency will never be able to collect on those frozen accounts when they are released."

The radio urged residents of western Berlin to go into the Soviet sector for the new Russian stamped currency being issued today, and to disregard the western conversion tomorrow.

DEFIANT ANSWER
Demands in the Russian and German Communist press that the western allies get out of Berlin and a defiant answer from Berlin's Socialists proclaimed: "Berlin must remain free—never Communist."

The Socialists announced a mass meeting tonight in the French sector under the slogan "Berliners,

GRADUATION MASCOT for his father is little Michael Kellogg, 18 months old, who tags along as Lloyd Kellogg lines up to receive his MD degree at University of Illinois.

Houses Set Afire as Planes Crash on City

DETROIT, June 23.—(AP)—Two United States navy planes, flying in a seven-ship formation, crashed and burned today after colliding over the heavily-populated east side area of Detroit.

The flaming wreckage set fire to four houses and a tool shop. Scores of residents fled to safety.

The two pilots of the single-seater planes died in the crash. One tool shop employee was slightly injured when struck by flaming debris.

Wreckage of the falling fighter planes spread a blaze through a one-block area. Fire and rescue crews made a preliminary search of the burning structures and expressed belief all occupants had escaped.

Live wires were felled by the falling wreckage and added to the fire menace. Scores of police were mobilized to keep large crowds of spectators away from danger zones.

SO SOFT—SO STRONG

New Purex has the silky softness and dependable strength that mean "tops in bathroom tissues".

Thoroughly absorbent and kind to delicate skins.

2 Rolls for 23c

The New PUREX Facial-Soft TISSUE

You'll Welcome FACIAL TISSUES by PUREX

New! More absorbent! More convenient! Purex is not interfolded—take one or a dozen. And for your clothes' sake... no lint!

Man Held As Woman Dies Here

Body Found in City Hotel; Arrest Made at Room Door

A man was arrested and charged with abortion following discovery of a body of a young woman in a city hotel, Wednesday.

Charged with abortion is Thomas Freeman Reid, Suite 1021, U.S. Air base.

Body of the young woman was tentatively identified as Verle Holman, Calgary.

POLICE CALLED

Police were called about 10:45 a.m. Wednesday when William Bellman, a chambermaid in the hotel, discovered the woman's body on a bed in a hotel room.

The dead woman was clothed in a dress with a blanket over her body, police said.

Reid was arrested by Detective Roy Dick when he appeared at the door of the hotel room a short time later.

Dr. John W. Bridge, city coroner, who examined the body stated that an attempt had been made to bring on an abortion.

AUTOPSY PERFORMED

Reid appeared in police court today and was remanded to July 2 on \$10,000 bail. No plea was taken.

Autopsy on the woman was performed this morning by coroner Dr. Bridge.

Preliminary inquest will be held Friday at Foster and McGarvey funeral home.

The dead woman was reported to have registered at the hotel on June 19.

She was believed to have last been seen by Edward Holme, day desk clerk, who told police he had seen the woman in the hotel rounds between 3 and 4 p.m. Tuesday.

At that time she appeared pale and ill, Holme told police.

56 Mennonites Leave For New Homes In Paraguay

HERBERT, Sask., June 24.—(CP)—Bound for Paraguay and new homes, 56 Mennonites yesterday left this Saskatchewan town 30 miles northeast of Swift Current.

They were part of a migration of 1,500 Mennonites due to converge at Winnipeg and start eastward in four special trains for Quebec whence they embark.

Departure—caused by overcrowding at Gouldtown community north of the town—came hard for the emigrants. Many of the parents sobbed openly.

Freed Agnes Conrad Visits Family in Sask.

RED BEER, June 24.—(CP)—Less than eight hours after she had been acquitted on a charge of murdering her 2½-year-old adopted son David, Mrs. Agnes Conrad last night boarded a train for Bankhead, Sask., to visit her family.

The 22-year-old wife of a rural mail carrier said she would spend "several days" with her mother at Bankhead.

At the same time her husband, Clinton Conrad, announced that he planned to sell the small farm at

BABY SITTER'S BILL MOUNTING: MOTHER SOUGHT

VANCOUVER, June 24.—(CP)—Police today are looking for a mother who left her two-year-old son, Jimmie, with a professional baby-sitter Monday night.

A blonde boy, Jimmie, has only four words to make his plight known: "I want my mummy."

He doesn't cry, but is always asking "Where's my mummy?" The sitter doesn't even know Jimmie's last name. He was left at the home at 6:30 p.m. Monday, and last night there was a sitter's bill of about \$25.

"There won't be any bill tendered if the mother comes for Jimmie," said the sitter.

Wage Increase

CHICAGO, June 24.—(AP)—The International Harvester Company and the United Auto Workers Union (CIO) last night agreed on a general 11 cents hourly wage increase for some 25,000 UAW members employed in six Harvester plants.

EDMONTON BULLETIN, Thursday, June 24, 1948

Canadian Vets Help Convict 3 Japanese

OTTAWA, June 24.—(CP)—Affidavits of 16 Canadian veterans of Hong Kong have helped convict three Japanese overseers of a mining company, charged with brutal treatment of Allied war prisoners working at the mine, army headquarters announced today.

Sentences of imprisonment were imposed on Tsurugi Komatsu, Masao Suzuki and Ken Suzuki.

Komatsu, nicknamed "Bulldog" by prisoners, was civilian overseer of the Kashima coal mine. He was found guilty of 33 charges, including beating prisoners with a mine hammer, shovel, pick handle and other weapons, and was sentenced to 25 years in prison.

The other two were mine foremen under Komatsu and received sentences of 13 and four years respectively.

Employed in the mine were Canadian, Dutch and English prisoners of war from Sendai area camp 1-3, Yumoto, island of Honshu.

The Canadian veterans supplying affidavits describing brutal treatment in the mine included Henry Hladych, Kindsley, Sask.; Jack Rose, Vancouver; Leo Paul Bernard, Winnipeg; John D. Caruso, Fort William; and James H. Stewart, Albert Delbridge and John Kitt, all of Winnipeg.

Drenching Rains Hit Fire Areas

TORONTO, June 24.—(CP)—Firefighters hastened yesterday to consolidate their lines as drenching rains gave respite from a month-long battle with Ontario's bush fires.

Forestry officials said the heavy showers had extinguished fires at some points.

Hundreds of firemen watched rain fall over all fire areas where they have battled for the last four weeks. Two inches fell in the Port Arthur area. Almost an inch fell at other points throughout Northern Ontario.

THIS POTENTATE ABSENT-MINDED

LONDON, June 24.—(AP)—The wealthy Maharajah of Nawasagar likes cricket. He arrived here yesterday after flying from India in his private plane to see today's Australia-England cricket test match.

But he left at home his ticket for the match, which has been a sell-out for weeks.

He is trying to get a duplicate.

Oklahoma Flood Claims Nine Lives

OKLAHOMA CITY, June 24.—(AP)—For the fifth straight day, an army of rain clouds fought a violent and deadly weather war over Oklahoma.

In the drowned flatlands below, rescue workers already counted nine dead and nearly 3,000 homeless.

In the eastern river valleys, townsmen and farmers braced themselves for the flood crests yet to come—and almost due.

Even as the weather bureau forecast gradual relief, new and heavy rain hit Oklahoma City in the state's central section.

Trochu Hi Graduates Honored at Banquet

TRUCHU, June 24.—A banquet was held in the Elks' Hall with over 50 guests present in honor of the 1948 graduating class of the Trochu Valley School. Graduating this year are Misses Hazel Heikkila, Shirley Hanna, Verona Hoffman and Doreen Postill and Sulo Luoma.

The program was as follows: invocation, Rev. Lentz; toast to the King, Crawford Ferguson; chair man's remarks, L. E. Speelman, instrumental solo, Eileen Frohlich; toast to the Graduates K. L. Evans, which was replied to by Doreen Postill; toast to the School Board, Mrs. E. Gauley, replied to by Mr. J. Schmierer; toast to the teaching staff, Miss Hazel Heikkila, replied to by Principal E. M. Traub.

A splendid address to the graduates was given by the guest speaker Rev. Lentz, in which he stressed the importance of having one aim in life, and that it should be the constant striving to reach a goal or ideal. He emphasized that the goal or aim should be kept high, if anything something above actual attainment. Too many people have low standards because they do not aim high.

Following a delightful trio by Ardath Schmierer, Joyce and Rovia Haller, Mr. Traub with a few well chosen words to each, presented the graduates.

GRADE 9 AWARDS

J. P. Ferguson made the following awards:

Grade 9:
1. English and Social Studies, offered by K. and K. Motors won by Ida Bock; 2. Mathematics, by Roach Bros. won by Ida Bock; 3. General Science, by Crown Lumber Co. won by Ida Bock; 4. Typewriting, by Central Meat Market, won by "Maxine Beaver"; 5. Industrial Arts, by Trochu Motors, won by Donald Hanna; 6. English and Social Studies, by Templeton's Farm Equipment, won by Edith Postill; 7. English and Social Studies, 2, by O. C. Steinbach, won by Ardath Schmierer; 8. French, 2, by J. P. Ferguson won by Hazel Heikkila; 9. Geometry 1, by Ben's General Store, won by Ardath Schmierer; 10. Physics 1, by Trochu Furniture Store, won by Jim Balkwill; 11. Typewriting 1, by K. and K. Motors won by Joyce Haller; 12. Farm and Home Mechanics 1 and 2, by Lip-kind and Co. won by Martin Bock.

OTHER AWARDS
The following awards will be made after the results of the June departmental examinations are known.

English and Social Studies 3, by H. H. Smith, Trigonometry, by G. Henkelman; Physics 2, by Bal- will's Pharmacy.

A dance followed in the Legion Hall put on by the high school with music by Al's Rhythm Ras- cals.

Westlock Division Trustees Meet

WESTLOCK, June 24.—The annual conference of the Westlock school division Trustees Association will be held in the Hazel Bluff church Wednesday. A full agenda, with many matters for discussion, has been prepared for the session.

The meeting will feature addresses by W. Mountain, president; L. W. Kamins, division superintendent; W. L. Watts director of curriculum; W. E. Hildgen, Athabasca S. D. superintendent and by A. G. Andrews, secretary of the Alberta Teachers' Association.

Whitecourt Masons Sponsor Picnic

WHITECOURT, June 24.—Many enjoyed the Masonic picnic held on Sunday afternoon on a small island up the Athabasca river. The crowd was transported up the river by the Krause and Miller motor-boats.

Guests included members and families from Mayerthorpe, Roch- fort, Bridge and Sangued as well as Whitecourt.

The children enjoyed wading, while adults visited, played hand- ball and bingo. Later a picnic lunch was enjoyed with generous helpings of ice cream and coffee supplied.

DISTRICT NEWS IN BRIEF

110 Stock Entries In Westlock Show

Calf Club Exhibits Total 85; Pibroch; Highridge Included

WESTLOCK, June 24.—"Approximately 110 head of stock will be on display at the annual Calf Club Show and Sale, to be held at the Westlock fair grounds June 30, it was announced this week. This compares with 64 in the event last year, when the feature was staged for the first time.

The stock will be made up of approximately 85 head shown by members of the calf clubs of the district, and seven or eight groups of three head shown by farmers. These will be in the commercial class. A good turnout of buyers will be on hand for the display and the satisfactory prices obtained for show stock last year is expected to be exceeded.

NEW CLUB ENTRIES

Vying in the show will be members from Westlock, Pibroch and Highridge, a newly formed club. Officials of the clubs include E. Gamble, Bruce Peacock, John Bax- andall and Alf Wallace, all of the Pibroch club; W. Kallal, George Beach, Fred Lyons and Stewart Haffey, all of Westlock; and Wes Henry, Paul McKee, James Slater and Frank Sylvester, all of High- ridge.

Judging will start at 11 a.m. and the sale at 2 p.m.

J. Goode, district agriculturalist, announced that Hon. D. A. Ure, minister of agriculture, would be on hand to officially open the show and sale being held at the arena. Other government officials are also expected.

EXPECT BIG ATTENDANCE

Many buyers and judges will be attending the gathering that day including J. Murfit, Westlock Locker, Safeway Stores, Eatons, Gainers, Swifts, Canada Packers, Woodwards, Weiler and Williams, the Alberta Livestock Co-Op and others.

Sale will be under the direction

TRUCK MISHAP KILLS TWO MEN

DAWSON CREEK, B.C., June 24.—William Broadway, 50, of Bonanza, and Paul Joseph Super, about 30, of Dawson Creek, were killed when the five-ton truck they were driving overturned and burned on the Spirit River road one and a half miles east of Rolla.

Michael Warchola and Wil- liam Wichory discovered the truck lying on its back about 8:15 p.m. Tuesday. The cab was crushed and they were un- able to extricate the men.

Police took wrecker and with help of J. Dill, brought the bod- ies to Dawson Creek for iden- tification. No other vehicles or persons believed involved. In- quest was set for Thursday afternoon by Coroner M. S. Morrell of Pouce Coupe.

of Don Hall and Maury Jacobs, assisted by J. Robertson.

Many trophies are again up for trial this year, including the West- lock Board of Trade trophy, for the grand challenge calf, won last year by Maxory Armstrong, of Highridge; the Whissell and Wood- man trophy, also won by Miss Armstrong; the Murfit trophy for Pibroch contestants; the Slater and Perkins award, for Highridge en- trants; the show halter, for the best showman, by Don Hall and the Wes Henry halter, for best show- man of the Highridge club.

Rain Welcomed At High Prairie

HIGH PRAIRIE, June 24.—At last, rain! On Monday, June 21st the district was treated to a shower of rain which was most welcome, as crops were suffering severely and even grass was turning brown. While High Prairie received only a slight rain on Monday and Tues- day, it is reported that Triangle and districts north were more for- tunate, and farmers are feeling wonderfully cheered by the mois- ture.

General Road Foreman R. C. Moore of the Dept. of Public Works, has a crew building bridges and repairing culverts on the Snipe Lake road where high spring water had done a great deal of damage.

Millet Legion Carnival July 7

MILLET, June 24.—Millet Legion Post is making great plans now for their carnival and sports day to be held on July 7 at the Millet Sports ground, there will be games and sport for every one, ball games and games of chance and refreshments will be served on the grounds all day. A big dance will be held in the Board of Trade hall in the evening.

Willington Pupils Make Good Showing

WILLINGTON, June 24.—Wil- lington public school pupils made an excellent showing at the Two Hills School Division Festival. Adjudicator's reports and diplomas showed 12 with "Superior" stand- ing, 35 with "Excellent" and 18 with "Very Good."

Students' Union Sponsors Banquet

WILLINGDON, June 24.—Stu- dents' Union entertained 125 gradu- ates, parents and teachers at the graduation banquet held in Wil- lington gymnasium recently. Col. Reid Chapter IODE catered.

After the customary toasts to the King, parents, School Board, teach- ers, and department of education, Mary Zaita gave the valedictory address and Edward Zukiwski, president, gave the new executive some words of advice. Alice Evon- son was presented with the Lieut- enant-Governor's bronze medal for the highest standing in Grade 9 last year.

Phrenology, one of the quasi sciences, is based on the false as- sumption that "faculties" are spec- ially located in the brain, and are evidenced on the skull.

LACOMBE DIVISION SETS BASIC SALARY

LACOMBE, June 24.—A basic salary of \$1,500 for teachers in the Lacombe school division was of- fered by members of the divisional board to negoti- ating committee of the teachers at regular meeting of the board recently.

The outline of this offer of \$1,500 was accom- panied by a proposal of the board to provide five \$120 annual increments, such increments to depend on the qualifications of the teacher as regards uni- versity training.

This offer will be carried by the negotiating committee to the teachers' executive for approval.

Model Plane Show To Feature 'Ex'

Something new is to be added to the Edmonton Exhibition. For the first time in the air show, featuring model aircraft, will be staged each evening.

The air show will be sponsored by members of the Edmonton Model Aeronauts, a club of city persons interested in model aircraft building and flying. The shows will be a preview of the model aircraft contest planned for Sunday, July 18.

Program of the shows is designed to demonstrate the great advance in model aircraft during the last two years.

EVERYTHING GOES
Visitors will see the small craft doing everything from winging around at a speed of 130 miles per hour to doing loops. The planes are controlled by long wire cords which enable the operator, providing he knows how, to put the craft through various manoeuvres.

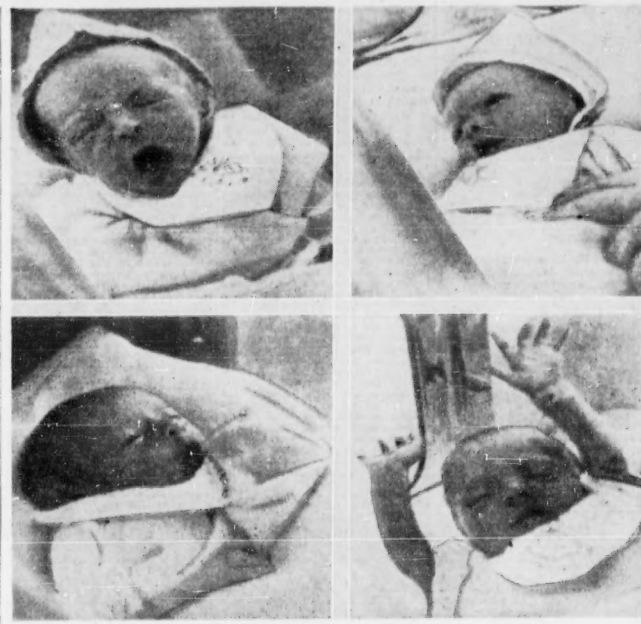

A site, just north of the main entrance of the exhibition grounds, has been selected for the demonstration. The show is being directed by

Bob Moore, president of the Edmonton Model Aeronauts. Total of nine events has been arranged for the contest.

They include a contest for rubber-powered models, cabin type, and three classes for gas models on free flights.

Planes entered in these classes are flown in the open without any controls. There are also three classes for speed models on control line, one for control line stunt-models and one for realistic control line models, flying type. All craft will be judged on flying ability, details, finish, accuracy and workmanship.

The contest will be open to any person wishing to enter a model aircraft which he has built himself, and officials of the Aeronauts expect between 75 and 80 models entered in the contest.

FOUR "GOOD" GIRLS, are British quadruplets born to Mr. and Mrs. Charles Good, British farmworkers, in Southend Hospital, Bristol. They weighed a total of 16 pounds, three ounces at birth. Top, left, Jennifer, right, Bridget; lower left, Frances, right, Elizabeth.

Here Less Than Month DP Family Scores Hit

By Frances Goddes

After only three weeks in Canada, one "displaced family" has already created quite an impression in this city. Ukrainians who have spent the last four years in Germany, the mother, Olen Lozitska, the father, Dimitri Beretzynets, and the daughter, Valentina Dobrolyz, combined musical forces to present an enthusiastically applauded concert to their fellow countrymen Wednesday evening in the Ukrainian hall.

LIQUOR FINES SOAR TO \$2,250 FOR 7 OFFENCES

Seventh person charged with illegal sale of liquor this month was given a heavy fine in police court Wednesday afternoon.

Eric Peterson, Paris Rooms, was fined \$300 and costs or three months in jail.

Pleading not guilty, Peterson was convicted after testimony of three crown witnesses.

Eagle this month six people were fine \$100 and costs or three months in jail.

Another city motorist John A. Greene, was fined \$5 and costs or seven days for failing to have a licence on his vehicle.

They were charged with speeding on city streets paid out a total of \$210 in police court today.

Mr. Waresick said he was leaving Edmonton for the Pacific coast on Saturday.

"I thought Alberta might not be satisfactory for my industry but called the province a "chemical engineer's paradise".

"There's a tremendous wealth of natural resources here," he said.

Seek Woman
In Edmonton

Estate branch officials are searching for the whereabouts of a sister of Michel Lencourt, formerly of St. Elmo hotel, Edmonton.

Lencourt, an old-age pensioner died recently leaving his estate to his sister.

Identity of the woman is not known.

JAIL TERMS METED OUT

On a charge of contributing to the delinquency of a juvenile, William Brunette, 26, was sentenced to four months in jail in police court today.

The offence, involving a sixteen-year-old girl, was said to have occurred in a 35 street rooming house on June 16.

Mike Fedora was fined \$25 and costs or 30 days on a drunkenness charge, and James C. Kelly was given \$20 and costs or 30 days for illegal possession of liquor.

Westmount League Staging Dance

A dance will be sponsored by the Westmount Community League Saturday at nine p.m.

Proceeds of the dance, as of one held last Saturday, will go to purchase of a public address system for the Community Hall.

Modern and old-time music will be played.

Information is Sought

As to the whereabouts of Mary Alice Walton (nee Douglas), the sister of Ernest Douglas of England. Will any person with information of her or her children please communicate with J. M. Dickinson, Solicitors, 46 Abingdon Street, Blackpool, England.

SHOPPING GUIDE

Nylon Brush, Spray
Ideal To Clean Locks

By Bea Thrifty

There's more than one way to skin a cat—and there's more than one way to save pennies.

One reliable way is to wash your own hair—instead of paying \$1 or more to the beauty shops.

Some of us have more trouble than enough getting our hair squeaking-clean and thoroughly rinsed. Best rig for this problem is the combination spray and brush put out by one of the brush manufacturers.

The hose attachment is fixed to the tap and you massage, clean and rejuvenate your hair with the brush.

Sounds like an amazing apparatus doesn't it—but everyone who has used it sings its praises loud and strong.

Incidentally the thing costs \$4.95—but seems to be worth it over the period of time.

4789

2-10

Patterns

By Anne Adams

She's the image of you in her petticoat-whirl dress. Everyone will say she looks so adorable. Pattern 4789 has charming ruffles; the petticoat peeks a bit below the hem!

This pattern, easy to use, simple to sew, is tested for fit. Includes complete illustrated instructions. Pattern 4789: sizes 2, 4, 6, 8, 10. Size 6 dress 1½ yds. 35-in. slip, 1¼ yds. eyelet for both 3½ yds. 1½-in.

Send twenty-five cents (25c) in coins (stamps cannot be accepted) for this pattern, to The Edmonton Bulletin, Pattern Department, 60 Front Street, W., Toronto 1-6. Ont. Please allow a week or 10 days for delivery.

DOROTHY DIX SAYS—

Token of Remembrance
Appreciated by Wife

DEAR DOROTHY DIX: I have a perfectly wonderful husband who is almost the answer to a maiden's prayer, except for one thing.

That is that he never makes me any sort of a present, not even the smallest. He feeds me, clothes me, pays the doctors' bills when I am sick, but he always does all the buying.

He has never given me a Christmas, birthday, or any other kind of a present. I thought that after our beautiful baby daughter was born that maybe he would give me a bar of candy for Mother's Day, but nothing happened.

I would just love to have had the present of a handkerchief, or even a chocolate bar would be beloved by me if it came from him. It is just being overlooked, when other men are giving their wives some token of remembrance, that hurts me. And it isn't because he couldn't afford it.

POOR WIFE.

ANSWER: You have evident!

This is the 24th of June and hothouse tomatoes are still selling around the \$1c region... but prospects are better for Saturday and Monday shopping... with the outlook at about 40c per pound, maybe... if wholesalers receive expected shipments.

The pig got up and slowly licked away—but this one won't take a wooden bread board. For your own kitchen—or for that kitchen shower present you've been pondering over... costs 98c.

Deep-fried foods can be tasty, crisp and done to a sunny, underdone and unpleasantly greasy. Secret of success is right temperature of batter or shortening being used. Thermometers designed for just this purpose can be had for \$2.

What price energy? Enough energy to whip eggs, or cream or any liquid... do you think it's worth \$9.95 or even \$20?

There are electric whippers—for liquids only selling at these prices. There is such a thing as saving your strength—and such a thing as being lazy to the tune of \$10 or \$20.

Crystal-gazing brides will be happy to see the etched glass stemware fashioned in a dainty design and shape. There are goblets, sherbets, cocktail glasses and dessert plates—all selling for \$1 each. Not the very best, mind you, but pretty, and good looking.

Back to the bachelor or the work-a-day young marrieds is the 8-hour laundry service with headquarters in the centre of town.

You know that beautiful hammered brassware—the stuff that's so horribly expensive now—well there is a tiny bud vase that would delight any householder—selling for \$3.75.

Books, books are what makes a room look "lived-in." Book-ends, pretty pastel green blending into mauve, in the shape of leaves on a base—are available for \$4.95. Pretty-pretty for a pastel living room with pale green pre-dominating.

Perched on a glass shelf in a gift shop is a Persian beggar-man—in subtle muted shades of dark, sombre green with bronze, red and gray undertones... another work of art by makers Royal Doultonware.

The figure is alive, mysterious—suggests teeming market squares, squatty jars of ginger, pitiful cries for alms for the poor beggar... All this atmosphere for \$23.75 which is a fair amount to pay for even this kind of atmosphere.

Nowadays girls quickly add color to their cheeks by applying rouge as Joan Caulfield is doing, but in Grand-ma's day cheeks were pinched into pinkness.

WHY GROW OLD

Cheeks No Longer
Pinched Into Pinkness

By Josephine Lowman

In the past great-grandma rubbed her cheeks vigorously in order to make them pink before an important date or she may have used pokeberry, which I have heard was a potent aid, although not very discriminating as to subtle shading.

Either she was born with curly hair or had to pretend she did not care, and arrange her heavy long locks in some outlandish manner. Had she cut her hair she would have burned her bridges, so far as good society was concerned. Today we not only know the safe and health giving road to figure control but we have myriad beauty aids at our disposal.

We have methods of ridding ourselves of superfluous hair. What did grandma do about that? She did not even have tweezers. Maybe she used pliers or just gave up!

We have deodorants, powder which enhances any natural color imaginable, permanent, manicures and pedicures, insect repellent lotions, specialists in make-up and hair styling, rubber gloves for dishwashing, and a perfume for every occasion!

Life, it's wonderful! Grandma would turn over in her grave if she knew that we can now cook in the kitchen, put a little stuff on our hair and lose those kitchen fumes; if she knew that we can squeeze a mid of powder out of a bottle; that we have hair brushes which are combined with a comb and set curls attractively.

What would she think about a brush which perfumes the hair as it combs? About make-up bases for dry and oily skins? About leg make-up which looks like stockings?

About a soap for dry skins which comes in a jar? About lipstick to match, not only your natural coloring, but the costume you are wearing?

I think she would be flabbergasted, but perhaps a little jealous, because modern nature has been the same the world over, in every age. Women want to be attractive! Any woman today who is not attractive, just doesn't give

you waste a dime on a candy bar.

And inasmuch as you do all of the cooking and washing and ironing and baby-tending, don't you get a single tip?

And is he as close with other men as he is with you? Or does he occasionally blow someone to a drink?

I am a great believer in planned economy, and I think that every wife should be a thrifty manager and help her husband lay up something for a rainy day, but miserliness can become as great a vice as extravagance is.

And surely a good wife rates some token of remembrance from her husband now and then.

YOUR BABY AND MINE

Babies Need Sunlight
But in Gentle Doses

By Myrtle Meyer Eldred

Sunshine, after a winter of dull, cloudy skies, is almost so welcome that we want to show our appreciation of it. Yet sun can harm as well as bless us and we have to be wary of its rays.

Of course, babies need sunlight. Its ultra-violet rays falling on the natural oils of their skin develop vitamin D which during the rest of the year they have to get in medicinal form. Not that they can drop all of this vitamin D in the summer, but certainly they need not take as large doses as during the cold weather. Meanwhile, they have to get some sun each day and this sunning should be started in graded doses.

Starting with the tiny baby, one month of age at least, the timing should be done with a watch and not by guess. Put the tender-skinned baby in the sun for not to exceed three minutes, first on one side, then the other, protecting the face with a newspaper. If he has a fine, blonde skin, take the trouble to rub baby oil on the exposed areas before he has his sunning. And don't put him out right after his skin has been denuded of oil in his hot bath.

Next day the time can be increased to four minutes, then five and so on up to a maximum of fifteen minutes, front and fifteen minutes back at one time. This is enough of a sunning for any baby and he'll get beautifully tanned without running any chances of being burned painfully by an injudicious sunbath. Don't send the runabouts out to play all day in hot, sunny play

places. Keep the sandpile where it will be sunny in the morning and shaded in the afternoon, ditto the play apparatus in the yard. The ultra-violet rays are well distributed throughout the atmosphere on a sunny day, the child doesn't have to sit right in the hot sun to profit by them. Nothing is gained by sensitizing the child to sunlight so that he may be its victim forever after. Go easy. Enjoy its benefits and be aware of its known dangers.

Mrs. A. M. wants to suggest to mothers bothered with stained clothes because of vitamin D dosages, that they give these when the baby is in the bath-bath. Our leaflet No. 14 "Kittens," may be had by sending a stamped, self-addressed envelope with your request to Myrtle Meyer Eldred in care of this newspaper.

Tomorrow, "Readers Send Some Suggestions."

Another Mental Patient Escapes

EDMONTON, June 24 (CPI)—A patient escaped yesterday from the provincial mental institution here. He was the sixth to make good an escape from Ponoka and Oliver mental hospitals during the last month. Only two of the six have been recaptured.

—Photo by Houser Studios
Bruce Collin, 10 months old, son of Mr. and Mrs. Paul Stadnik of Chipman, Alta.

Navy Mothers Club
Hold Final Meeting

Final meeting of the season was held by the Edmonton Navy Mothers' Club in the south hall of the YWCA building.

Mrs. T. O. McWhinney was appointed hospital convener. Members will resume regular visits to the hospitals in September.

Mrs. T. W. Boyer was presented with a gift by Mrs. R. E. Browne on behalf of the members. Mrs. Boyer is leaving shortly to make her home in Kelowna, B.C.

Mrs. A. Reid, Mrs. R. Gray and Mrs. A. Green were hostesses.

High School Grads Ready to Face Life?

Mrs. Kate Lyons, Employment Expert Gives Ideas on Careers for Girls

By Frances Geddes

How many girl graduates from high school know where they are going? Or how to get there?

Mrs. Kate Lyons, supervisor, women's division of National Selective Service in Edmonton, is interested in these all-important questions as are the young girls who have to face them.

More than being just interested, Mrs. Lyons is active in showing these girls how to plan a career to fit them.

Her division is securing co-operation of schools to get together girls who are interested in certain vocations and to show them the opportunities and the future in these jobs.

VOCATIONAL GUIDANCE

This year, many girls who were interested in and qualified for nursing were shown through a hospital, told what qualifications were necessary for different staff positions and learned just how a nurse spends her time on the job and off.

The work will expand next year, taking into consideration daily other vocations and professions. Mrs. Lyons thinks it is the saddest thing in the world for a girl to get into the wrong job. She thinks there is a position for everyone. "Even if you're a good student, you have the advantage over someone in the job who isn't," she says.

"A qualified person who is interested in her work can get anywhere," Mrs. Lyons stressed the need for a well-developed personality, a willingness to learn and to give of oneself.

Of course, some jobs offer more opportunity than others. The world is our field if you're a good secretary or a good nurse. Social service workers are in such great demand that employment bureaus cannot begin to fill the positions available.

ACADEMIC BACKGROUND

A good academic background is necessary for all these jobs and a completed business course for stenography. A half-learned skill is sometimes worse than none at all.

Teachers are always in great demand and a person trained in Alberta is well qualified to teach anywhere. All would-be teachers must attend University here.

Science is a wonderful course to take, according to Mrs. Lyons. Laboratory technicians are always in demand and can take work in hospitals, the Red Cross, packing plant labs, agricultural and food industries.

One dietitian wanted to go to New Zealand. That's where she is now. The company which employed her paid her passage and guaranteed her position for two years.

OPPORTUNITIES IN STORES

For a girl with no specialized training, Mrs. Lyons thinks there are wonderful positions in the stores. One girl she mentioned rose to a buyer's position in a large store after working there little more than a year.

Summer jobs can provide an

Legion Sponsors Millet Concert

MILLET, June 24.—Alexander Haytman presented a concert of magic and violin numbers recently in Millet. The concert was sponsored by the Canadian Legion Millet branch.

Mr. Haytman presented a technical picture of British Columbia scenery. He played numerous violin selections on his Stradivarius violin. The magic tricks performed by the guest artist kept the audience mystified. For two hours he performed tricks.

Laurie Haytman, five-year-old student, played violin selections during the evening.

British Women Send Lecturer to Canada

LONDON, June 24.—(CP)—Dorothy Taylor, lecturer and British Broadcasting Corporation broadcaster, is to represent the Macleod Trust Committee, a body of women economists, at the annual conference of the Canadian Home Economists' Association to be held in Calgary.

She will sail for Canada July 27. While in Canada Mrs. Taylor will visit factories, producing electrical equipment. She will also see electrical devices used in homes, institutions and Canadian railways.

Last of Aggregate Whist Drives Friday

Whist drive will be held by Canadian Daughters Assembly No. 19 in the Empire Room of the Hotel's Bay Company store. It will be held Friday at 2:30 p.m.

This is the last of six whist drives for the aggregate prize.

Education in themselves, berry picking in B.C. can be loads of fun and pickers are in demand right now. Hundreds of girls work as chambermaids, chambermaids in summer hotels.

"These kind of jobs teach the girls how to take the downs with the ups," Mrs. Lyons believes.

By learning how to make a success of a job before marriage, a girl has a better chance to make her marriage work. "After all," Mrs. Lyons says, "being a good wife is the paramount success of any girl's life."

HONEYMOONING in Winnipeg are Mr. and Mrs. John Aldridge Reynolds who were married recently in Robertson United Church. The bride is the former Dorothy Alexandra Riddell, daughter of Mr. and Mrs. Alex Riddell and the bridegroom is the son of Mr. and Mrs. Maurice Reynolds.

Trousseau Tea Honors Saturday Bride-Elect

Complimenting her daughter Jean Harnage Mrs. William Harnage entertained Wednesday afternoon and evening at her home in Norwood.

Miss Harnage and Frank Callaway will be married in Central United Church Saturday at 5 p.m.

To receive the 150 guests who called Mrs. Harnage was a printed program with a red tulle corsage. Mrs. A. Callaway, mother of the bridegroom-elect, chose a navy blue dress with corsage of white lily-of-the-valley.

Miss Harnage was frocked in a yellow printed silk dress with corsage of lily.

Set in an eon lace cloth the tea table was centered with a bowl of pink roses and lily-of-the-valley. Pink tapers, baskets of peonies and white decorations were used to decorate the rooms.

Presiding at the tea was Mrs. W. Peterson, Mrs. Blanche McCullough, Mrs. W. Boyd and Mrs. J. Avery.

Fragile Meringues Make Party Dessert

Easy-to-Make Meringues Are Tasty, Pleasant Desserts For Warm Weather

Pleasant warm weather desserts may be built around hard meringues, which suit the season for several reasons. For one thing, eggs—the chief ingredient—are most plentiful.

Another favorable point is that meringue as a base for fruit cream pie mixtures or ice cream is easier to make than a regular pastry shell. Finally, since it is baked in a slow oven, meringues don't become as heated as when higher temperatures are necessary. The meringue may be shaped either in individual molds the way the French do for meringue glacé or in one large form for a dessert that is commonly known as an aspic.

The French version usually is filled with ice cream and topped with some kind of sauce. Or like the aspic pie, it may be filled with a cream mixture such as chocolate, butterscotch or lemon, or with fresh or canned fruit that has been sliced and mixed with whipped cream.

The secret of the fragile, crisp meringue is in the slow baking. Prof. Belle Lave in her "Experimental Cookery" says that the best meringue she ever tried had been put into a warm oven (the heat had just been turned off) and left overnight. Home cooks, of course, don't have proper facilities for this, but it gives an idea of how low the heat should be.

Here's how to make the meringue: Beat three egg whites till foamy. Add one-fourth teaspoon salt and one-fourth teaspoon cream of tartar and beat till almost stiff. Gradually add three-fourths cup of sifted sugar and beat till mixture forms peaks. Add one-half teaspoon vanilla. Shape either in individual shells or large form (two portions below) and bake in slow oven 275 degrees F. one hour or longer, till thoroughly dry. Leave in oven to cool slightly.

Here are both the American and French versions of this dessert—the aspic pie and the meringue glacé.

For the aspic pie, pile the meringue mixture in lightly greased serving dish and shape like a pie with a heavy rim, having about three-fourths of an inch thick and sides one and one-half inches high. Bake as directed above.

When ready to serve, fill as directed with ice cream, whipped cream and fruit or as desired for future. Here the filling is meringue cream parished with "islands" of whipped cream and fruit with grated semi-sweet chocolate.

For individual meringues, heap meringue mixture in a lightly greased baking dish in six or eight piles, making an indentation in the top of each with the rounded side of a large spoon. Bake according to above directions. (Meringues should be soft inside).

To serve, present with any of the fillings described above. Meringue glacé, as here, consists of ice cream with an appropriate sauce. Some other favorite summer desserts:

Coconut Rice Pudding
4 tablespoons uncooked rice, 4 cups milk, 4 tablespoons sugar, ½ teaspoon salt, ½ cup seedless raisins, 2 tablespoons butter, ½ cup shredded coconut.

Wash rice thoroughly; combine with milk, sugar, salt, raisins, and butter in greased baking dish. Bake in slow oven (325 F.) 2 hours, stirring well every 30 minutes; add coconut and milk well.

If desired, an additional ½ cup coconut may be sprinkled over. Continue baking 1 hour longer or until coconut is delicately browned. Serves 6.

Peach Ice Cream Tarts
1 box Birds Eye Silent Peaches, thawed; 8 baked 3½-inch tarts.

Shells, 2 teaspoons lemon juice; 1 tablespoon flour; 3 egg whites; 6 tablespoons sugar; 1 pint vanilla ice cream.

Beat peaches, reserving juice; strain, stirring until smooth. Cook until thickened, stirring constantly. Cool and pour over peaches. Beat egg whites until frothy; add sugar, 2 tablespoons at a time, beating after each addition until sugar is blended.

Then continue beating until mixture will stand in peaks. Cover peaches with hard ice cream. Pipe meringue on top, being sure to seal well covered. Place under broiler 3 minutes, or until meringue is browned. Serves 8.

Pineapple Coconut Ice Cream
1 can crushed pineapple, 1 can condensed milk, 1 cup coconut, 1 cup cream, 1 cup sugar, 1 cup pineapple juice, 1 cup coconut, 1 cup cream, 1 cup sugar, 1 cup pineapple juice.

Combine 1½ cups pineapple juice, 1 cup coconut, and pineapple in bowl. Fold in cream. Then into freezing tray of automatic refrigerator, setting control for coldest freezing temperature.

Stir thoroughly once after first 2 hours of freezing and add coconut. Freezing time: 2½ to 3 hours. Makes about 1 quart ice cream.

Household Arts
By Alice Brooks

Household hint: Crochet and embroidery hints for just touch of elegance every woman can use. Embroidery, simple crochet, gold-finished girl pattern 220, transfer of one 7½x20½, two 5½x15½, quilting, crocheting, directions.

PRETTY SUMMER WEDDING was held recently at Knox United Church when Mary MacDonald became the bride of James F. Wilson. The bride is the daughter of Mr. and Mrs. A. M. MacDonald and the bridegroom the son of Mr. and Mrs. H. W. Wilson, all of Edmonton.

University Grads Wed In Vegreville Church

VEGREVILLE, June 23.—Of interest in University of Alberta circles was the wedding held recently in Vegreville United Church of Alice Elizabeth Carter and Warren Stevenson Bailey.

Both the bride and bridegroom graduated from the University at spring convocation.

The bride is the daughter of Mr. and Mrs. G. T. Carter, Vegreville, and the bridegroom the son of Mr. and Mrs. F. H. Bailey, Alton, Sask.

Summer flowers decorated the church for the occasion. Rev. H. H. H. performed the double-bar ceremony.

Given in marriage by her father, the bride wore a dress of cream satin trimmed with lace and pearls. The bride carried a high neckline net veil and a long train.

The bride carried a high neckline net veil and a long train. The bride carried a high neckline net veil and a long train. The bride carried a high neckline net veil and a long train.

Shelia Jackson of Edmonton was the bride's only attendant. She chose a dress of gold tulle with a train of gold tulle and a train of gold tulle.

Mr. and Mrs. Bailey will reside in Edmonton.

Wise Shopper Buys By Label

One way for the wise shopper to stretch her dollar is to be sure when she buys summer clothes that the fabrics will neither shrink nor fade when washed.

The only way you can be sure that colors are going to be steadfast and sizes are going to remain unchanged when summer rays and cottons are washed is a guarantee of good behavior.

There are certain soap-and-water fabrics which carry an unconditional guarantee of washability. The fabrics are so labeled.

The label is a clothespin tag attached to a garment which says in effect that the fabric is shrink and fade-proof no matter what methods of laundering are used.

This guarantee also says in effect that any kind of soap and water can be used when washing the garment.

It is the claim of the people who make this unconditional guarantee in effect that the fabric is shrink and fade-proof no matter what methods of laundering are used.

Need new kitchen utensils? Housewives who know their stuff about pots and pans know that it is thrifter to buy sturdy ones even though they may cost more than utensils which are less well-made.

The better the utensil is constructed, the longer it will last and the more saving of fuel it will be.

Construction features to check include handles, lid, shape and weight. Handle-joints should be firm and smooth. Riveted handles should be tightly fastened to the pan.

Wooden handles stay cool to the touch but may char if left too close to flames. Plastic handles are less likely to char but some may chip or break.

The pan shaped with a smooth, flat bottom, wide corners and rounded edges is easiest to clean than one which has sharp corners and decorative grooves or crevices.

Heavy or medium weight utensils hold heat better than lightweight ones and are less apt to warp or break.

Polished metal does not absorb heat as readily as duller finishes. For that reason, the bottoms of utensils should have a dull finish even though the sides are polished.

Medical Women of Canada Elect Dr. A. Nicholson

TORONTO, June 23.—(C.P.)—Dr. Anna Nicholson of Saskatoon last night was elected president of the Federation of Medical Women of Canada.

Representing some 500 women doctors, the federation met in conjunction with the Canadian Medical Association's 79th annual meeting. Officers elected included: Secre-

Dr. Emma Johnson, Winnipeg; Dr. Margaret Owens, Winnipeg; corresponding secretary, Dr. Anna Wilson, Winnipeg.

In ancient times women were supposed to be omens of sudden death, war, revolution or other dire events in human affairs.

Canada is the people of Europe, the adjacent shores of North Africa, and of Asia Minor and the northern half of India.

Safety Play Offers Good Protection

By William E. McKenney

Until 1934 I was a native of Cleveland, O. For that reason I may be a little bit biased, but I have always felt that Cleveland produced some of the greatest card players of all time. At the Ohio State tournament this year I was happy to see Carl Aitken and Henry Jaeger, two former teammates of mine and two really great players.

We were discussing the famous Western Revere team, who won the Ohio State tournament four times.

5,000 Families To Get Basic Help From Flood Fund

VANCOUVER, June 24.—(CP)—

British Columbia's flood emergency fund will be allocated to provide basic aid for about 5,000 families scattered through all the flood areas in the province. The fund now is near the \$1,800,000 mark.

This announcement was made by Mr. C. E. Worthington, director of flood administration for the Red Cross as the spotlight turned from flood danger to rehabilitation.

Basic aid will include necessary furniture, clothing, bedding and food for families who have lost their means of immediate livelihood as a result of the floods.

Long range government aid will follow the fund's administration.

Small, Efficient Fleet Preferred

MONTREAL, June 24.—(CP)—

Canada's pipeline merchant marine should be a small, efficient fleet of modern vessels maintaining regular service on the country's chief trade routes rather than a large fleet of old, slow, inefficient ships.

Mr. J. J. Lamer, president of Montreal Shipping Company, said here.

from dummy, hoping to find the ten and one on the left?

Enrich, who played this hand, advanced the theory that the best percentage play is to bring down the ace and king of spades. This protects the declarer against a spade loser if the queen and one are doubled on the left or right. The only time he will win by taking the trick on the second round of spades is when the ten and one are on the left.

This is a neat safety play that can be initiated easily, but is never missed by good, careful players.

Wheat Agreement Said 'Child's Play'

Tory Senate Leader Attacks Proposed International Pact

OTTAWA, June 24.—(CP)—Senator John T. Haig yesterday criticized the proposed international wheat agreement as "child's play" and said "the only good thing about it is that it will never be carried out."

The Senate's Progressive Conservative leader contended "no sensible person" could expect the 36 affected countries to adhere to the agreement's maximum and minimum price levels in years when the exporters could get higher prices and the importers could get wheat more cheaply.

NOT RATIFIED BY U.S.

Canada is one of the three exporting countries. The United States, another exporter, has not ratified the pact. It sets a top price of \$2 a bushel and a floor of \$1.50. The third exporter, Australia, has ratified the agreement with the proviso that the United States also agree to it.

Senator Wishart Robertson, government leader, praised the "calm and conservative" approach of the Canadian farmer and said any such

measure that would benefit him should be given serious study. He pointed to the "lopsided economy" in which manufactured goods sold at prices higher than those in the United States. While farm products were considerably lower, yet there was a "tremendous" outcry when anything was done to swell farm prices.

Senator Haig could not see the U.S. farmer accepting a \$2 price but his government would subsidize him beyond that price. In Canada the agreement would mean continued government control of all wheat sales. This would continue a system that had cost Canadian farmers at least \$300,000,000 in the three prairie pools. The most satis-

factory marketing system existed when the farmer sold his wheat through private agents.

South Alberta Tired of Rain

LETHBRIDGE, Alta., June 24.—(CP)—Residents of southwestern Alberta, usually grateful for any June rain they receive, have had more than their fill of visits from Jupiter Pluvius this month, and they'd be overjoyed if he transferred his activities to the east and to the north where there's a clamor for his services.

They're happy that he singled out southwestern Alberta for special attention this year, but the impact of his frequent visits with torrential downpours has been so pronounced that southwestern Alberta in general has received a setback.

Farmers were not able to get their intended acreage seeded to corn. They delayed with their spring wheat and barley sowing until high gear, they cannot start cutting the straw, and they are still bogged down in the mud.

From his father in the region on 17 of the 28 days of this month, bringing another 5.35 inches of precipitation at Lethbridge, another 5.42 at Calgary, another 6.41 at Edmonton.

Meanwhile, even with the shade of a "rainmaker" Medicine Hat has received only .34 inches this month, Calgary 2.14 and Edmonton 1.75.

NEW DEFINITION OF FAIR PRICE

QUEBEC, Ont., June 24.—(CP)—A new definition of the term "fair price" was given by Dr. J. E. Laffitte, head of the economic department at Macdonald College, Ste. Anne de Belleville, Que., here yesterday. At the Agricultural Institute of Canada convention he explained, amid chuckles from fellow delegates:

"It would be a fair price for any product today in the open market. It is the price that the consumer pays for the product."

Children's Quick Action Saves Home

CALGARY, June 24.—(CP)—Quick action and presence of mind of the two children of Mr. and Mrs. Russell Damstra of Calgary, saved their home last night, when a fire broke out in the kitchen.

Big Companies Step Up Search

By Cecil Jackman

Although the number of rigs actively engaged in wildcat drilling on the central Alberta plains has been reduced in recent months oil exploration work in Alberta is being carried out to a extent previously unequalled in Canada. Seismograph, gravimeter, and magnetometer programs of the various concerns involved are costing an estimated \$700,000 per month.

At present 46 parties are in the field and more are being added as the season progresses. Imperial Oil Limited, Canada's largest oil exploration organization, has 13 parties in the field. Of these nine are seismograph outfits, three are gravimeter, and the party is Canada's lone magnetometer crew. Companies with the best best representation are the Standard Oil (Ind.) and California-Standard, each with five parties out.

In the early days of oil development, most of the preliminary survey work was done by geologists examining rock outcroppings for fossil and other evidence which might be present in a formation.

While this system helped to find the depth at which oil was present it failed to help much in determining the exact location at which a hole should be sunk to tap the oil bearing strata. As the number of holes in the area of the size of a township might fail to uncover an oil field, the way under the township's area.

USE SOUND WAVES
Geophysicists, as the science of locating subsurface formations, are able to the accumulation of crude oil and natural gas is called, use sound waves, gravity, and seismic variations to determine the composition of the rock structures thousands of feet below the surface.

The seismograph crew uses sound waves to obtain their information by shooting a bullet into the earth, the hole some distance below the surface the sound waves set up penetrate the rocks for great distances below the point of detonation. These waves are reflected back to the surface by each new formation that they strike.

The strength of the echo and spread with which it travels indicates with some degree of accuracy the type of structure to be found at various depths. The seismograph crews determine the "pull" of the various formations, and the magnetometer is used to determine the magnetic variations caused by the formations.

When a careful and detailed analysis of the information gathered for an area gives sufficient indication that conditions are favorable for the accumulation of oil a wildcat drilling program may be undertaken. In the early phase of the Alberta program will be undertaken later this year.

KEY WILDCAT

In the Leduc area Continental No. 3 is in the spotlight with tests of the D1 zone reported to indicate the presence of gas, oil, and water. This key wildcat is located on the east edge of the Leduc field, found the Devonian at about 4,130 feet.

Calmont-Leduc No. 1 got a fairly good gas flow from the lower Cretaceous. Last reports the well had down 4,210 feet and crews were expecting the Devonian at any time. Consolidated has used the well, has been abandoned at the 5,750 foot level without finding any D3 zone.

LIVESTOCK TRAFFIC

EDMONTON—Total receipts of cars trucked, driven and shipped by rail to local livestock agencies on June 23: Cars, 7 cattle, 232 calves, 113 hogs, 538 sheep, 17 horses.

Shipments on June 23: To Eastern Canada, 2 cars calves, 3 cars hogs, 2 county points, 2 cars cattle.

Stocks Of Canned Fruit Doubled

OTTAWA, June 24.—(CP)—Stocks of canned fruits held by canners, wholesale dealers and chain store warehouses on April 1 were almost double the amounts at the same date last year, the Bureau of Statistics reported Wednesday. This year's figures were 3,164,536 dozen cans as against 1,614,536 for last year.

Substantial increases in stocks of canned vegetables were also reported. On April 1, 1948, figures showed 9,414,648 dozen cans as against 7,612,509 a year previous.

NEW YORK, June 24.—(CP)—

The Canadian dollar was quoted at a discount of 6 1/2 per cent in mid-day foreign exchange dealings today. The pound sterling was unchanged at \$4.03 1/4.

Industrial Show Firming Tendency

Base Metals Also Strengthen; Western Oils Again Weaker

TORONTO, June 24.—(CP)—Industrials and base metals strengthened in light trading on the Toronto Stock Exchange today. Gold, silver and copper were quiet and easier and western oils showed a weaker tone.

LIVESTOCK

EDMONTON, June 24.—Total receipts: Cattle 149, calves 56, hogs 372, sheep 7.

Thursday's cattle market continued depressed, and all grain and livestock prices were lower. Very light action is noticeable despite light receipts, with most sales to outside buyers. This morning's prices were unsettled. Wednesday's sales were 1,000 to 2,000 head. Choice heavy calves 17.50-18.50. Cows were sharply lower at 12.00-12.50, with the old heifers kind up to 13.00. A few bulls sold at 9.00-12.00.

Veal calves lower. Good to choice handweights 17.00-19.00. Heavy and common kinds 9.00-15.00.

Hogs firmer. Grade A for shipment 29.00. Grade B at plants 27.50. Sows light weight on yards 15.00. Feeder hogs 18.00-20.00. Lambs. A few spring lambs sold at 20.00. Choice heavy calves 17.50-18.50. Cows were sharply lower at 12.00-12.50, with the old heifers kind up to 13.00. A few bulls sold at 9.00-12.00.

Stockholders and feeders in limited demand. Good stocker steers 11.00-12.50. Plain steers 9.50-11.00. Short keeps of good breeding 13.00-14.00. Stock holders steady. Stock cows 7.50-9.50 per cwt.

All grain cattle 1.00 per cwt. below the following quotations. Choice fed calves 15.50 to 20.00. Choice heavy calves 15.50 to 19.00. Good steers 15.50 to 19.00. Medium steers 15.50 to 17.00. Fair steers 15.50 to 17.00. Choice heifers 15.50 to 17.00. Medium heifers 15.50 to 17.00. Good heavy cows 11.50 to 12.00. Good light cows 11.50 to 12.00. Common cows 11.50 to 12.00. Good bulls and cullers 9.00 to 12.50.

Mayors Urge 3-Way Parley on Housing

By Joe MacSweeney

HALIFAX, June 24.—(CP)—Montreal's J. O. Asselin yesterday spearheaded the Canadian Federation of Mayors and Municipalities to new efforts in the problem of low-rent national housing.

Following a report by Mr. Asselin, president of the Montreal Metropolitan Commission, the federation moved for a federal-provincial-municipal conference on housing as soon as possible.

Mr. Asselin, head of the federation's housing committee, told of year-long negotiations with federal authorities and recommended pos-

GREAT PROBLEMS

The great problems of municipalities were housing, transportation and when these were solved, revenue. Mr. Asselin said the provincial governments should aid municipalities with their problems of finance.

Housing was the dominating

theme during today's sessions which also saw a batch of resolutions passed, including:

That the Dominion government increase "adequately" the amount of its disability and other pensions to war veterans.

INCREASED PENSIONS

That old age pensions be increased in view of "skyrocketing" costs of living and that the age requirements be lowered to 65.

That the Dominion justice minister and the attorney-general of the provinces intensify their study of measures to prevent sex crimes.

Mayor Percy George of Victoria quoted psychiatrists to show that most of the juvenile delinquency was caused by degenerate literature.

The International Date Line coincides, as nearly as practicable, with the 180th meridian which lies almost entirely on the Pacific.

Malnutrition Effects Bother War Prisoners

By Ken Botwright

TORONTO, June 24.—(CP)—Many Canadians, former war prisoners of the Japanese, still suffer from what is believed to be effects of malnutrition, Dr. Eustache Morin of Quebec said yesterday.

At the Canadian Medical Association's 79th annual meeting, he reviewed the condition of 30 Quebec Hong Kong survivors, 2 1/2 years after their liberation. Former members of the Royal Rifles of Quebec, most of them came from the Gaspé or Lower St. Lawrence regions.

Medical consultant to the department of veterans' affairs, Dr. Morin said each of the 1,400 Far East war veterans in Canada was "pensioned well." But some of

the 30 Quebecers were incapacitated by extreme fatigue and weakness, thought due to malnutrition.

"These men need higher pensions but to get them increased we cannot explain to the pensions board, they are tired," said Dr. Morin.

"Now we are trying to find a physical basis for their trouble."

Dr. H. J. Richardson of Ottawa said: "A higher per cent of Quebec men is receiving pensions than

others in Canada and the pensions of Quebec men are higher than the national average."

Medicos Instal New President

TORONTO, June 24.—(CP)—Dr. William Magnus of Toronto last night was installed president of the Canadian Medical Association. He succeeded Dr. F. G. McGuinness of Winnipeg.

The installation took place during the annual general meeting of the CMA's 1948 convention.

Nine doctors were made senior members of the association, including Dr. W. J. Knox, Kelowna, B.C.; Dr. Willis Merritt, Calgary; Dr. F. A. Corbett, Regina and Dr. W. A. Gardner, Winnipeg.

Rainmaker Back In Good Graces at 'Hat

MEDICINE HAT, Alta., June 24.—(CP)—A light but steady rain fell brought relief yesterday to this southeastern Alberta city's water supply problem.

The rain also re-established Donald S. Johnston, Regina "rainmaker" in the good graces of his followers after several disappointments with his "universe."

The rain cut water demand for lawns and gardens and allowed increase in the city's reservoir supply. Acidity of the water caused slow progress through filters which in turn diminished the reservoir holdings.

Spotty rain has been reported between Lethbridge, Alta., and Swift

Current, Sask., since Johnston's arrival here June 7 but little fell at Medicine Hat despite operations of his machine, claimed to be able to start rain.

Meanwhile at nearby Redcliff, some 1,500 residents are without a pure water supply, except for an emergency railway tank car lot.

LONDON, June 24.—(Reuters)—The provisional plans for a conference of Dominion prime ministers in London in October will be announced Monday by Prime Minister Attlee. Arrangements are still tentative, but it is expected the conference will last from 10 days to a fortnight.

Friday EATON'S DAILY STORE NEWS Friday

Store Opens at 9:30 a.m., Closes at 5:30 p.m. Daily, Except Wednesday, 9:30 a.m. to 12:30 p.m.

Get the Big Ones At Jasper

Man, it's a thrill to hook a big one—feel him fighting, diving, running—hear the ring of that reel! But what a disappointment when he gets away! It takes a good tackle to get good fishing. That's why EATON'S stocks the best fishing tackle in the West. EATON'S Sporting Goods, Lower Floor, South
